Liederbach visit to Verwood September 7th to 10th 2018

On the 7th of September 2018 our friends from Liederbach arrived in Verwood and were greeted by the Mayor Cllr Sandra Grove and Hosts along with members of Verwood Twinning Committee and enjoyed afternoon tea at the Heritage Centre.

On Saturday they enjoyed a trip to Milestones Museum near Basingstoke Hampshire. This is a museum of living history where you can explore the museum's streets, shops and buildings. Afterwards an enjoyable trip to Winchester for some sightseeing.

On Sunday our friends were taken on a trip to Highcliffe Castle and afterwards to the Heritage Hotel in Bournemouth for Lunch. After lunch there were speeches and Verwood and 3LX Twinning Association were presented with a gift from Liederbach.

On Monday our friends departed from the Heritage Centre for their flight to Frankfurt, an excellent weekend was enjoyed by all.
