

Twinning Report November 2018

I attended the 37th AGM of Verwood and Three Legged Cross Twinning Association on Thursday 25th October 2018.

The Twinning Association Annual General Meeting was well supported and Clive Grove the Chairman welcomed everyone. During the year a varied programme of interesting speakers was organised by Ian Lucking, and Ian has booked speakers for 2019.

The Rustic Fayre went well and instead of Cafe Rene this year it was decided to have the Twinning Wine Bar. Our French Committee member Sebastien dressed in full French attire including a string of onions round his neck.

In September our twin town of Liederbach from Germany came to visit Verwood and a full itinerary was organised including visiting Winchester Milestones, Highcliffe Castle culminating with a Sunday Lunch at the Hermitage Hotel Bournemouth, where speeches and the exchange of gifts took place.

The current Committee Members are standing again and we gained three new Committee Members, Mike and Stephanie Billington and Viv Clifton. Clive thanked the Committee for their hard work throughout the year and for their 'can do' attitude to everything.

After the Annual General Meeting Sarah Hockley, who is a retired Police Officer, gave an interesting insight into her life in the police force.

Clr Susan Shaw.
