

MAYORS REPORT FOR FEBRUARY 2019

The Verwood Pantomime this year was excellent, the cast did a superb job especially the Sheriff who really got the children into the whole pantomime spirit. This was a wonderful way to start the New Year. A really enjoyable evening.

Clive and I were invited to Oakdene Nursing home for their DIGNI-TEA and cake afternoon. This is a really special event which highlights how important it is to uphold people's rights to Dignity in later years.

I was invited along to the 31st Charter Night for Verwood Rotary Club. This was held at Crane Valley golf club. Each year Presidents and their partners from neighbouring clubs are invited along to hear the Charter Proclamation read out. It is always a pleasure to attend the Rotary Club special events as they contribute so much to the Verwood community.

Trinity School invited me along to their presentation of 'The 5minute Walk Zone' project. This is a wonderful initiative to get children walking to school and not using cars. The children are all enthusiastic and all our Verwood Schools are participating in the initiative.

My Valentines Dance on the 16th February was a good evening. The band was made up of two Bournemouth Mayors and friends with one aim to enjoy themselves. All the music was from the 60s which made for a superb evening as we all knew the words. I would like to thank all my helpers and all the people who supported me on the evening.
