

Mayors Report for May

- 1. Clive and I were invited to the Wimborne Civic Reception to mark the end of Kelly's year and to say a good bye to East Dorset. This was an enjoyable afternoon with the Melissia present and firing a salute. Kelly had made a video of many of the organisations which operate in Wimborne emphasising the role of volunteers.**
- 2. My Rat Pack event went so well. I had had a few teething problems with the Hub regarding tickets and pricing but it was all ironed out with speed and efficiency did not impact on the evening. The singer William May was outstanding, a wonderful way to end my Mayoral Year.**
