

## MAYORS REPORT FOR JULY 2019

- 1        June 28    Spent a lovely evening with Verwood Rotary at Remedy Oak. A very friendly group of people and a superb meal. The new Chairman Mr David Allen was installed and the outgoing President, Gary Hayter provided the informal entertainment.
  
2.        July 3        I attended the Annual Review of East Dorset Scouts. This gave details of the work undertaken by the organisation which included a weekend activity gathering. A video was shown of the activities. This was followed by a BBQ. A good night with really interesting people. I was accompanied by Lucy Clark.
  
3.        July 5        Attended the Ferndown Upper School Graduation Ceremony in the Vitality Stadium. I was very impressed by the high standards shown. The students were leaving to go to a wide variety of careers.
  
- 4        July 6        The Verwood Concert Brass Concert was , as usual, of an excellent standard. All the bands continue to thrive and give excellent service to the community. I was accompanied by Lucy Clark
  
- 5        July 18    A visit to Cherry Tree Nursery is always welcome. Sheltered Work Opportunities are provided for many people and they complete RHS levels. The plants are beautifully maintained and sold at very reasonable prices. A variety of skills are offered including artwork , computer skills as well as all aspects of horticulture. It is a happy place with people gaining confidence as they are helped to work through their problems.
